Integrated Marketing, Growth & Partnerships Leader | Community-Led GTM, Creator Ecosystems & Consumer Growth

Integrated marketing, growth, and partnerships leader with **9+ years** of founder/operator experience building consumer growth systems across **AI-native social products**, creator ecosystems, campus/community networks, entertainment/media, consumer products, and cross-market GTM. I own ambiguous growth problems end to end: **market insight, positioning, campaign architecture, creator/KOL strategy, partnerships, offline activation, paid/media channels, community conversion, analytics, and executive-ready reporting**. Proven outcomes include **0-to-1 growth to 1M+ users**, **800% AI-native user growth**, **150K+ cumulative AI-native social users**, **100K+ partner-channel sign-ups**, **8x user growth / 10x revenue growth within one year**, **100M+ cross-platform content views**, **2,000+ influencer / KOL / KOC resources**, and **5 national-level entrepreneurship awards**. Strong North America operator with global-platform fluency, Mandarin-native stakeholder alignment, and high-ownership execution pace.

SELECTED FIT FOR BROAD MARKETING ROLES

- **End-to-end growth ownership:** Own ambiguous growth problems from zero to operating system: positioning, GTM strategy, partner mapping, creator/KOL sourcing, campaign packaging, budget allocation, launch execution, analytics, and iteration.
- **Integrated campaign leadership:** Built campaigns across paid, social, influencer/KOL, campus, offline activation, community, PR/content, and conversion follow-up.
- **AI-native product GTM:** Launched a Coze-powered Xiaohongshu AI Agent ranked **#1** with **12,400+ users**; built AI workflow / product knowledge systems for launch teams.
- **Influencer & creator ecosystem:** Built **2,000+ influencer / KOL / KOC resources** and creator campaign systems across Xiaohongshu (RED), TikTok, Instagram, WeChat, Bilibili, and Discord.
- **Partnerships & BD:** Built **200+ brand collaboration resources**, negotiated with **40+ vendors** and **60+ student organizations**, and activated campus/community partnerships across **70+ U.S. universities**.
- **Campus / community growth:** Built 0-to-1 community systems reaching **100K+ community reach**, **80K+ campus network**, 50+ active groups, and multi-platform Discord / WeChat / Telegram operations.
- **Data-driven strategy:** Used Tableau, GA4, PostHog, Excel, UTM tracking, conversion funnels, budget reviews, and KPI reporting to improve ROI, pacing, and channel quality.
- **Entertainment & youth-culture marketing:** Led GTM/community for a **VR game / social product**, founded an **AI + film production platform**, and produced media projects with **27.5M+ Tencent Video plays** and **1.114M Bilibili week-one views**.
- **Cross-border execution:** Operate between U.S. local markets and Chinese-language platforms, with Mandarin-native communication and full professional English.
- **Experiential & offline activation:** Led **30+ offline events**, multiple 100+ attendee activations, a **400-person yacht event**, **60+ annual university events**, and 10+ campus screenings.

HIGH-SIGNAL MARKETING OUTCOMES

100M+
cross-platform content views across public-facing social, video, media, and creator projects

1M+
0-to-1 user growth through integrated marketing, campus programs, partnerships, creator/community content, and campaign execution

100K+
broader partner-channel sign-ups, including a major campus partner motion across 733 U.S. universities

2,000+
influencer / KOL / KOC resources for creator-led marketing and co-marketing

8x / 10x
user growth and revenue growth through paid media, local partnerships, campus channels, and BD execution

Top 0.03%
founder/team-lead recognition in national entrepreneurship competitions, including Internet+ National Silver and 5 national-level awards

END-TO-END GROWTH OWNERSHIP

Own growth from market thesis to execution system: define positioning, build campaign and partner motions, mobilize creator / vendor / community resources, coordinate cross-functional launches, track KPI quality, and turn early wins into repeatable playbooks for regional teams.

PROFESSIONAL EXPERIENCE

Marketing Director & Growth Lead | DITTO.AI (AI-Native Dating / Social Product)

Los Angeles, CA
Nov 2025 - Present

AI consumer product growth, campus GTM, influencer marketing, field activation, partner-led acquisition

- Led integrated growth and marketing for an AI-native dating/social product, driving **800% user growth** and scaling to **150K+ cumulative users** through campus activation, creator/influencer marketing, original video, field marketing, community channels, and partner-led distribution.
- Built a broader campus viral growth matrix across **partner collaboration, creative posters, high-performing offline/yacht activation, influencer marketing, original short-form videos, ambassador/community channels, and conversion follow-up**.
- Owned growth execution for a major partner-led campus campaign generating **73,000+ registrations**, **32,000+ matches**, and coverage across **733 U.S. universities**; broader partner-channel efforts produced **100K+ sign-ups**.
- Analyzed funnel and match-pair behavior across **72K+ partner-channel users** and **32K+ match pairs**, identifying dormant segments and a **48-hour engagement window** to sharpen re-engagement strategy and campaign follow-up.
- Identified a high-conversion targeted community channel with **26.8% email verification rate**, approximately **20x above** platform average, and translated insight into acquisition recommendations.
- Built structured engagement routines across campaign calendars, ambassador leaderboards, UTM tracking, channel-quality reviews, and post-campaign retrospectives.
- Drove cross-functional execution across product, growth, creative, external partners, creators, student organizations, and communities, resolving launch issues and aligning teams around growth KPIs.
- Built DPU (Ditto Product Universe), an **AI-powered product knowledge base** for product specs, operating context, campaign learnings, and reusable launch materials.

Growth Marketing & Business Development Manager | ENCMOBILE (MEGATEL NETCOM CORPORATION)

Los Angeles, CA
May 2023 - Mar 2026

North America student market growth, paid media, partnerships, offline events, local market expansion

- Architected the company's student-market marketing and partnership framework from scratch, integrating **paid media, community operations, local partnerships, campus channels, and website touchpoints** into a repeatable growth model; during my tenure, helped the company build from 0 to **1M+ users**.
- Delivered **8x user growth** and **10x revenue growth within one year** through Google Ads, Meta Ads, Amazon Ads, Baidu SEO/SEM, campus channels, local partnerships, and student/community activations.
- Built deep student-organization and campus-community relationships across **70+ U.S. universities**, including Harvard, Stanford, Cornell, Yale, UCLA, and USC.
- Negotiated and managed partnerships with **40+ vendors** and **60+ student organizations**, supporting partner evaluation, deal scoping, campaign launch, optimization, and relationship maintenance.
- Coordinated **60+ North American university events annually**, building resource bases across venues, vendors, media partners, campus organizations, ambassadors, and local communities.
- Built daily KPI tracking and review routines with Tableau, campaign pacing, audience segmentation, channel performance, budget allocation, and student-market conversion insights; reduced partnership costs by **50%**.
- Managed **million-dollar-level budgets** and a **50+ person execution network**; awarded **Best Sales Champion (2024)** for business impact and execution.

Founder | Marketing, Product GTM & BD Lead | PANDAPAL (Global Digital Solutions Provider & Marketing Agency; AI Campus Community Product)

Los Angeles, CA
Aug 2021 - Jan 2025

Founder-led marketing agency, creator ecosystem, AI campus community, brand partnerships, content growth

- Built PANDAPAL as both a **global digital solutions provider / marketing agency** and a **0-to-1 AI campus community product**, reaching **100K+ community reach** across Xiaohongshu (RED), TikTok, Discord, Telegram, and WeChat.
- Personally led BD as Founder with brands, sponsors, vendors, and creator partners; scoped partner/campaign packages and built **200+ brand collaboration resources**.
- Built both a youth community brand and a marketing / digital solutions business, delivering creator/community, content, event, and campaign solutions for **200+ brands and partners** while validating **3 monetization models**.
- Built and activated **2,000+ influencer / KOL / KOC resources** across RED, TikTok, Instagram, and creator communities.
- Grew an **80K+ campus network** across **50+ U.S. universities**, managed **50+ active community groups**, and organized **30+ campus / community events**.
- Orchestrated **20+ digital campaigns** reaching **600K+ users**, translating creator insights into content briefs, campaign calendars, user education, and product launch assets.
- Grew a Xiaohongshu (RED) account from 0 to **7K+ followers**; first post reached **1M views** and converted **1,000 targeted users** into private community channels.
- Designed the product concept, PRD/BP, user research, and prototype for an AI/GIS/GPS-enabled campus lifestyle product, using **500+ survey responses** to validate pain points and acquisition channels.
- Independently built a **Xiaohongshu Viral Copywriting AI Agent** on Coze, ranked **#1** on Xiaohongshu's copywriting tool leaderboard with **12,400+ users**.

Founder & Product/GTM Lead | PEACHJAM / Legend Co-Shooting (AI + Film Resource Sharing and AI-Assisted Video Production Platform)

Beijing / Zhejiang / Los Angeles
2018 - Jun 2022

Entertainment marketing, AI-assisted production workflows, creator community, entrepreneurship awards

- Founded an AI-assisted film and video production platform focused on creator collaboration, production-resource matching, and workflow automation; won **Internet+ National Silver** (3.4M+ entries; approx. **top 0.03%**), **Challenge Cup National Bronze**, and Beijing Outstanding Entrepreneurial Team Leader recognition.
- Built a **3,000+ professional creator community** and aggregated **6,000+ film production resources**; owned Founder-led commercial conversations with creators, production partners, sponsors, and resource providers.
- Designed AI-assisted workflow modules from script/storyboard import to scene breakdown, shot lists, shooting schedules, props lists, camera movement guidance, editing templates, and auto-subtitles.
- Produced and distributed independent film **Mount & Sea**, reaching **1.114M views** and **105K likes** on Bilibili in week one; wrote scripts for Tencent Video variety show content with **27.5M+ cumulative plays**.
- Supported Pacific Creative Park business development and operations for a **28,000 sqm** creative park; closed **20+ merchant deals**, supported **100% occupancy**, and generated approximately **RMB 500K incremental annual revenue** through equipment rentals and live-commerce related services.
- Managed budgets and partner delivery across **20+ creative / production projects**, reducing external production costs by approximately **10%** through vendor consolidation and delivery discipline.
- Led a **40+ person cross-functional team** and reduced delivery cycle by **50%** through workflow standardization across creative, product, operations, and agency partners.

Product Marketing & Community Lead | STAR REALMS (VR Game)

Los Angeles, CA
Jan 2022 - 2023

VR game community, Discord ecosystem, creator/community launch planning, Web3/NFT concepts

- Built and managed a **50K+ cross-platform community** across Discord, WeChat, Telegram, TikTok, LinkedIn, X, Xiaohongshu (RED), and Zhihu for a VR social metaverse / game startup.
- Built the foundation for Discord-centered community operations, including server structure, roles/permissions, bots, engagement loops, conversion paths, moderation, and retention feedback.
- Built **0-to-1 VR game/social product launch infrastructure** and supported a **$400K fundraise** through university partnerships, seed-user feedback loops, product education content, and **10+ product / market strategy decks**.

EARLIER PROFESSIONAL EXPERIENCE

- **Marketing & Content Operation | YAMI (Asian Food E-Commerce):** Built **10+ customer communities** with **2,000+ members**; achieved **22% conversion**, **60% repurchase**, **1M+ campaign reach**, **25% ROI improvement**, and **$50K direct order conversions** through Xiaohongshu (RED), WeChat, Instagram, private-community operations, and online/offline campaigns; awarded Sales Champion.
- **Marketing & Content Operation | HUNGRYPANDA:** Produced **10+ viral Xiaohongshu posts** and **6 high-performing WeChat articles** with 1,000+ likes each, planned **20+ campus campaigns**, added **1,500+ users**, built **8 active communities**, and used Tableau-based audience profiling to refine campus promotion playbooks.
- **Business Development | Wanda Wuzhou Film Distribution:** Led **10+ campus screenings** with **1,200+ attendees** and approximately **70% community join rate**, managed 5 fan communities with 1,000+ members, increased repeat participation by **50%**, and closed **5 brand sponsorships**.
- **Digital Marketing & Customer Strategy | Skywalker Communications (4A Agency):** Contributed to enterprise PR, branding, and media strategy for Weichai Power and Sinotruk, including **CCTV media-plan evaluation**, campaign pacing, KPI alignment, media plan support, and post-campaign performance reviews; improved exposure / share-of-voice by approximately **30%**.
- **Publicity & Production | Beijing Hengdian Film Group:** Delivered 3 release/marketing plans and improved creative asset consistency by approximately **20%** through audience research, surveys, focus groups, trailers, and key art refinement.
- **Digital Marketing | Sohu Media:** Led campus promotion for Sofa Video and won **Best Intern** as the **#1-ranked intern in the cohort**; used research and industry insight to optimize content timing and placements.

MARKETING OPERATING SYSTEM

- **Regional strategy & campaign roadmap:** Turn audience insight, product timing, seasonal moments, creator trends, and channel resources into localized campaign calendars.
- **Influencer / content ecosystem:** Source creators, define content angles, prepare briefs, coordinate publishing, track platform-native engagement, and convert public attention into community or product actions.
- **Partnerships & experiential marketing:** Scope partner packages, negotiate vendors/sponsors, coordinate venues, creators, student organizations, media partners, and on-site teams, then connect events to post-event conversion.
- **Entertainment / youth-culture transferability:** Apply VR game/social community, Discord operations, film/media production, Bilibili/Tencent Video distribution, and creator-resource experience to fandom, player, and youth-culture marketing.
- **Creative + data-driven balance:** Combine posters, short-form video, creator storytelling, field activations, and content calendars with KPI dashboards, channel-quality reviews, funnel analysis, and post-mortems.
- **Cross-border operating cadence:** Bridge U.S. local market execution with Mandarin-native communication, Chinese-language platform fluency, global/regional stakeholder alignment, and feedback loops.
- **Community conversion loop:** Move users from public content and live events into Discord, WeChat, Telegram, campus groups, private communities, user education, and repeat engagement channels.
- **End-to-end ownership:** Comfortable owning ambiguous briefs from concept to execution: insight, strategy, partner mapping, creative production, launch, reporting, and iteration.

SELECTED FOUNDER / AI-NATIVE / SOCIAL INFLUENCE PROJECTS

BrandYou (AI-Native Action Community Brand) | Initiator & Co-Founder: Built Mandarin-language AI-native user education and published a Claude Code tutorial with **100K+ WeChat reads**, **11K+ shares**, 2,467 likes, and 1,092 saves/favorites.

SWAP (Skill-Exchange Platform) | Co-Founder & Marketing Partner: Drove **100K+ users** through product positioning, Xiaohongshu growth, offline activation, and user-education content for a consumer marketplace/community product.

MoreThanHugs / Panda Youth / Personal Creator Influence: Built public-facing content properties across TikTok, Zhihu, Weibo, Xiaohongshu, podcasts, and video platforms, supporting creator trust, audience insight, and platform-native content judgment.
